FLY LIKE AN EAGLE

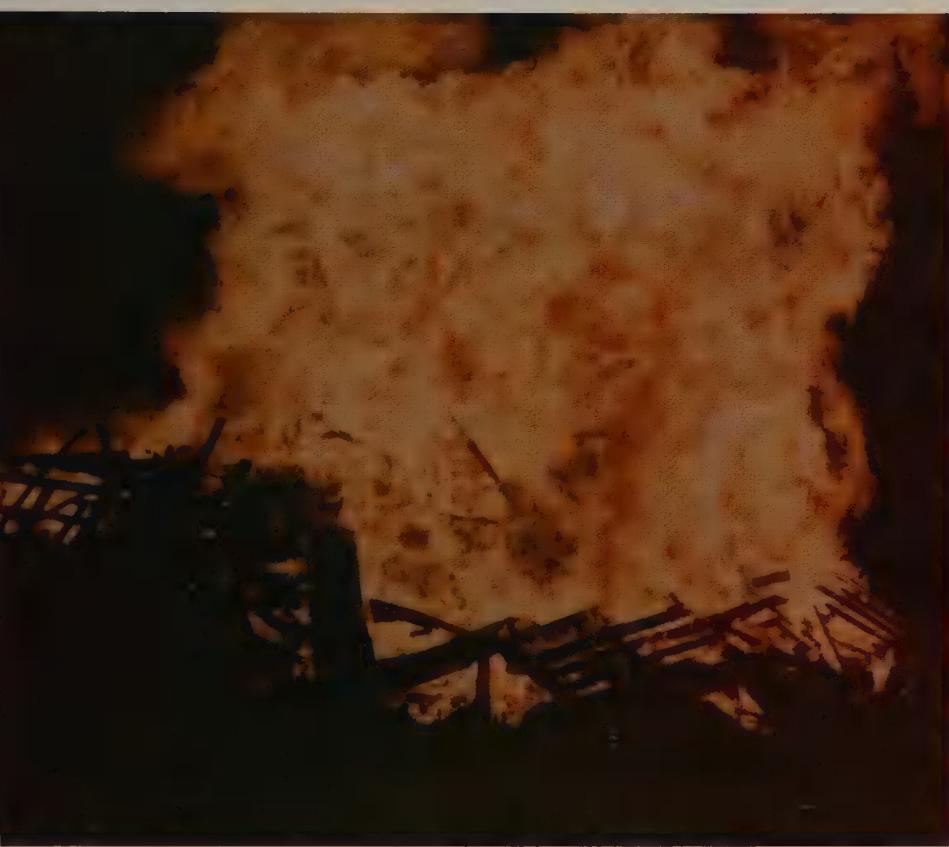

The song "Fly Like an Eagle" from the Steve Miller Band was selected by the Annual Staff because of its strength of meaning to Carter Students.

The time which we all treasure slips by without our knowing it. We all want to be strong and able to conquer all our problems. The great Eagle Spirit is always a big part of life at Carter. We want to feel like we can be free with ourselves and others. Life at Carter is always in the state of change but there is usually a solution to it all.

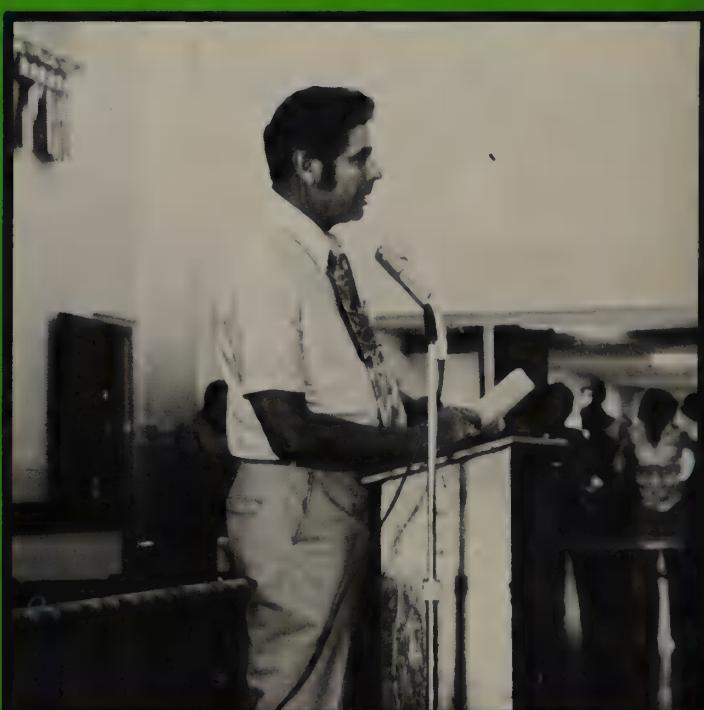

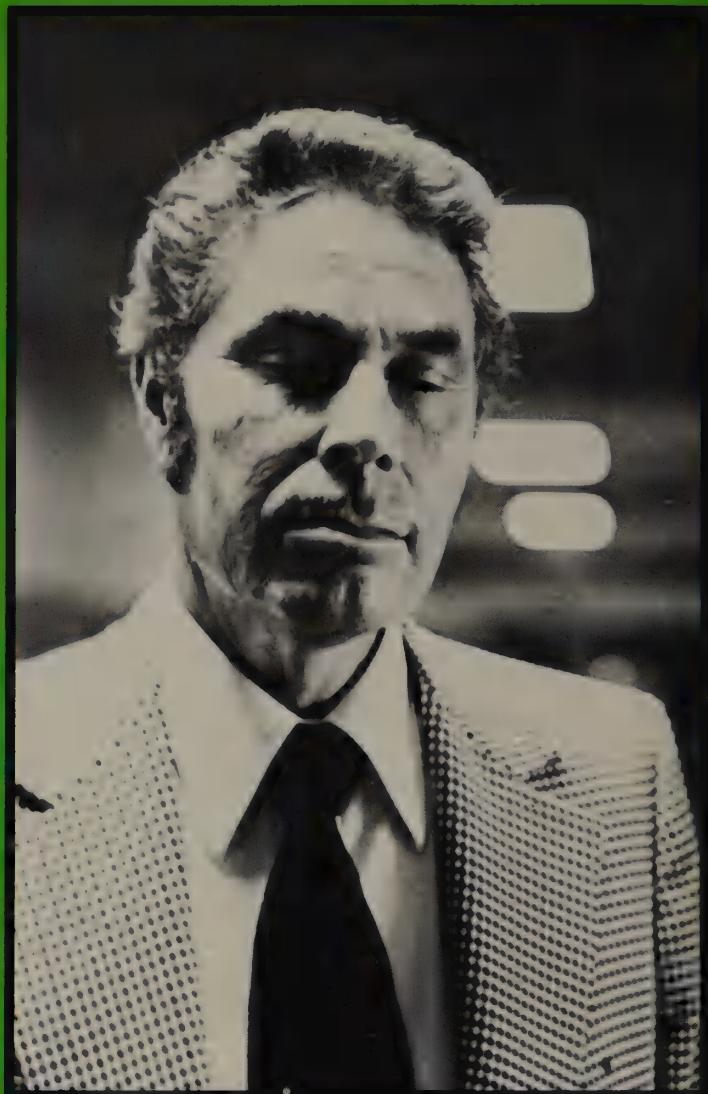

We, like the eagles, were born to be free. Yet we are obliged, in order to live at all, to make a cage of laws for ourselves and to stand on the perch. We are born as wasteful and unremorseful as tigers; we are obliged to be thrifty, or starve, or freeze. We are born to wander, and cursed to stay and dig.

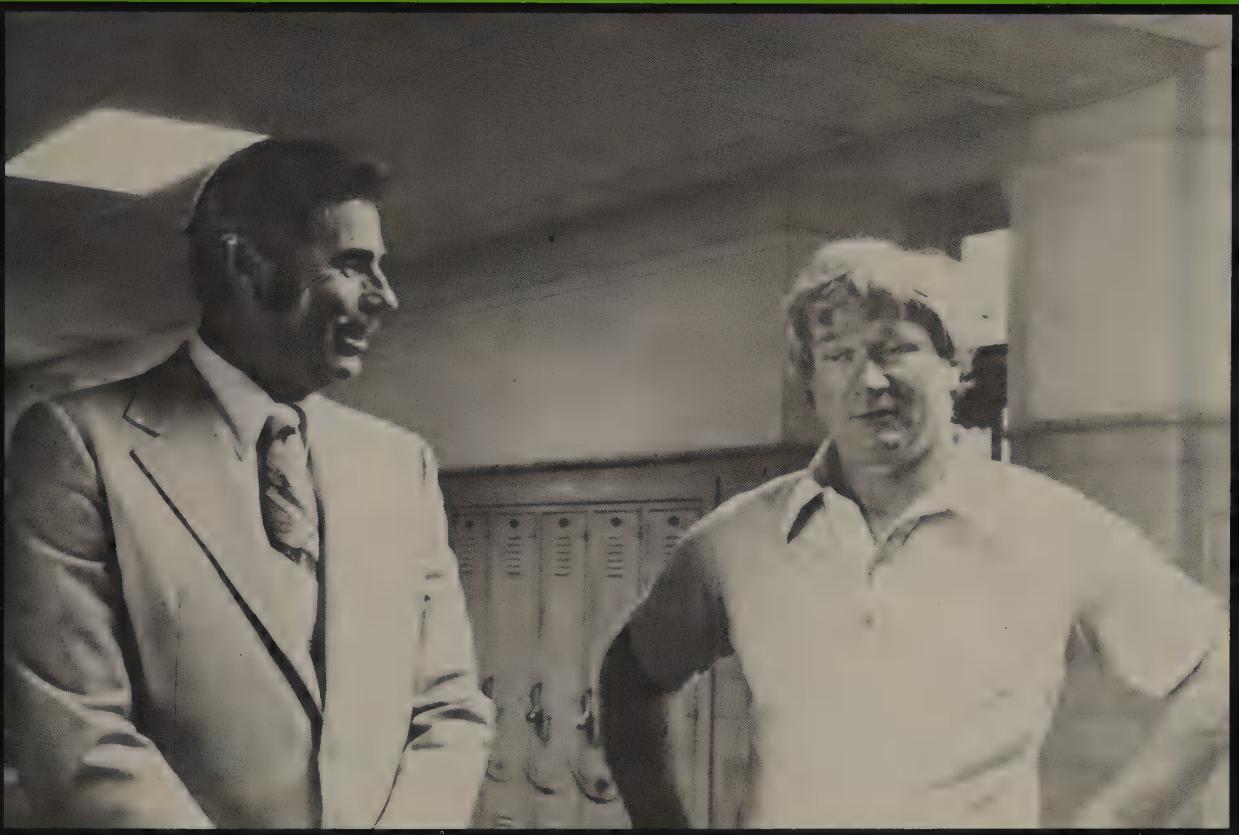

— William Bolitho —

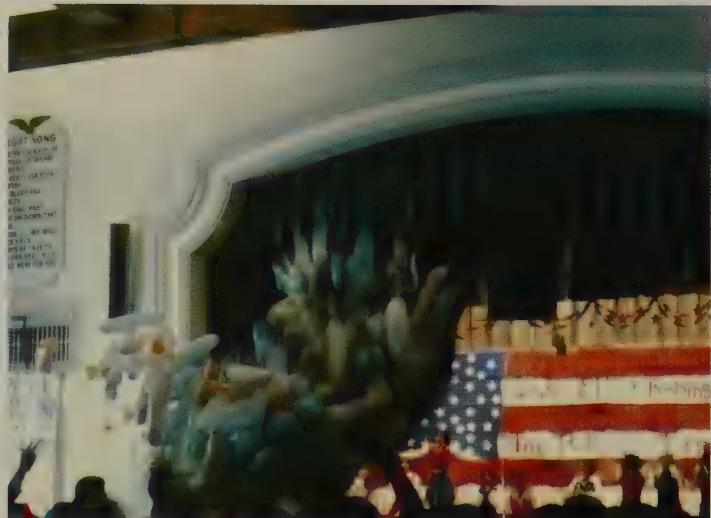

THE SPIRIT OF THE EAGLE

Mr. Jack Bass brought with him a spirit of enthusiasm which has been a guide for the whole student body. His strong leadership is always present. His new ideas and programs have got much of the student body involved in school activities. His loyalty to Carter is without end. His easy goingness has made him popular with all students and faculty and anyone who meets him. With the SPIRIT of The Eagle, the Annual Staff spiritedly dedicates The 1977 EAGLE to Mr. Jack Bass.

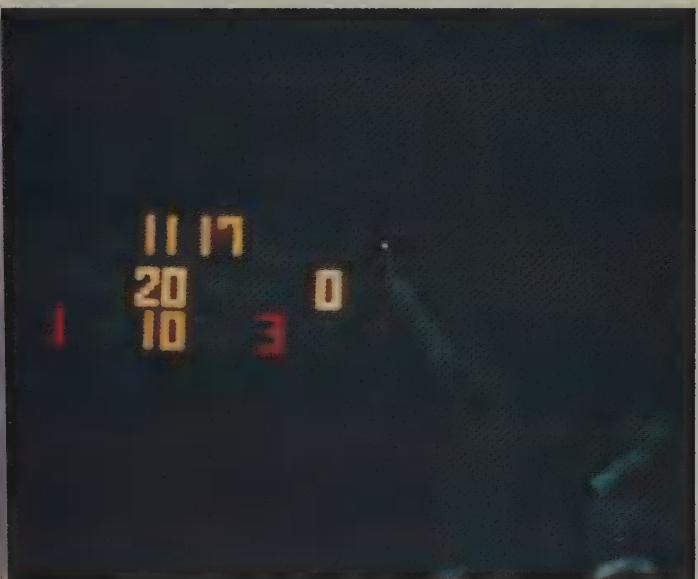

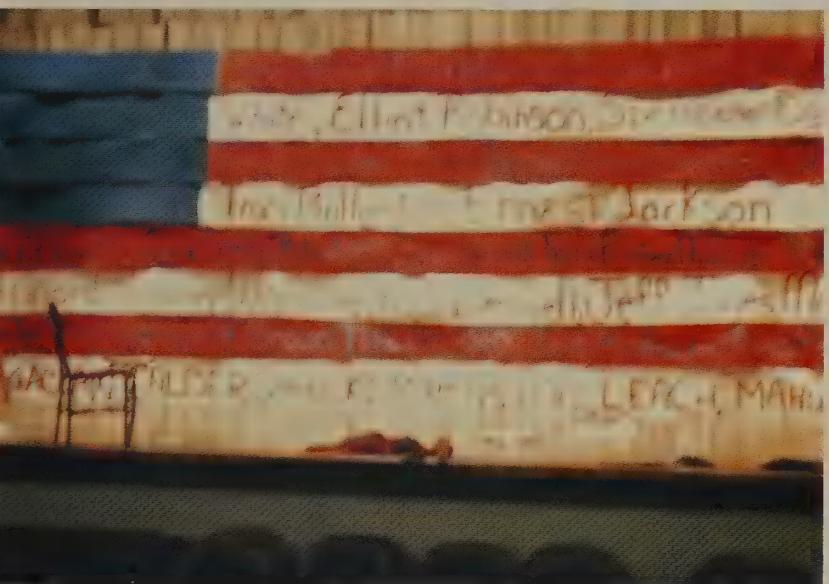

MR. JACK BASS

Stacy!
Keep on supplying
the jokes I need them
for my classes!
Jack always
Coach Mahurin

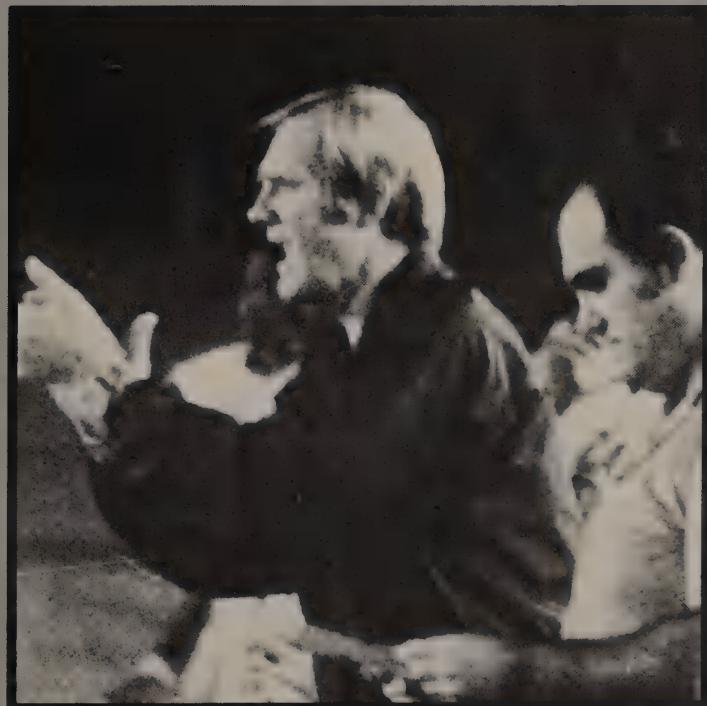

To bear up under loss — to fight the bitterness of defeat and the weakness of grief — to be victor over anger — to smile when tears are close — to resist evil men and base instincts — to hate hate and love love — to go on when it would seem good to die — to seek ever after the glory and the dream — to look up with unquenchable faith in something ever more about to be — that is what any man can do, and so be great.

— Zane Grey

CLASS OF '80

This year's Freshman Class of 1980 adapted easily to the life at Carter. The Freshman cheerleaders provided spirit and pep to the pep rallies, the Freshman football team had a building season, and the Freshmen played a big part in all the activities and organizations. Overall the Freshman Class was a spirited group.

Carla Christnight's graceful and charming manner made her popular to both students and faculty at Carter. Her warmth and friendliness gained her due recognition as Miss C.H.S. Carla participated in many school organizations such as the Student Council, Band, and F.T.A. She was elected Junior Class President and a Junior Who's Who nominee. She has received awards such as Sophomore Favorite nominee, third runner up as Band Queen, and a nominee for Homecoming Queen. She has been a majorette for two years and has been elected the Most Talented Girl. Carla, the model to be imitated, richly deserves the title as Miss C.H.S.

Flying like an Eagle, Mike Waugh daily led the students at Carter. His leadership qualities and determination for Carter won him the prestigious title as Mr. C.H.S. He has held such positions and honors as President of the Student Council, Editor of the Annual, Junior Favorite, Sophomore Who's Who, and Sophomore Class Vice President. He also was a Junior Who's Who Nominee, Sophomore Favorite nominee, and a member of the National Honor Society. Mike's skill in sports was displayed during his four years in football, three years in track, and two years in baseball. He was honored as "all zone" in football and as Most Handsome. Mike, the all-around type, has earned the title as Mr. C.H.S. through his contributions and achievements at Carter.

TALONS LIFTED THE EAGLE SPIRIT

The 76-77 Talons started off with an array of multi-colored uniforms, some two-left feet, and an amazing ability for leaping over fences at Farrington Field. But let this not be a source for skeptical thoughts on spirit and enthusiasm. Oh no, the Carter Talons are certainly not least in those areas. Why, who could forget the times on the Drill Team bus when they sang chants and prayed for victory? And what about the times when it rained and they stood in the mud simply for the hope of winning? Ah yes, and who could ever forget the time in Arlington when they were at the wrong end of the field and had to walk the entire length of the football field to get to the right side even though they were embarrassed by such an act? These are the Talons in all their craziness and individualism, their fun and memorable moments. There is yet to be a more enthusiastic or more spirited group of girls than the Talons. Their active-ness and closeness as a group is definitely something to be proud of, and we should give these girls applause for their work throughout the years at CHS. Memories are built on fun and good times, and in the Talons, a good many they have tucked away!

GETTING IT

The Annual Staff had a full year of hard work and tedious moments with only one goal in mind: the best yearbook ever. The staffers this year were faced with various problems such as lost film, not enough pictures, pictures that needed to be retaken, and last but not least, not knowing what to do. Under the leadership of Editor Mike Waugh and Sponsor Arthur Matchette these problems were soon solved and the 76-77 yearbook is the final result.

ALL TOGETHER

This year's **EAGLE RECORD** was led by an outstanding staff and sponsor. Renee Hamilton, editor, worked with much diligence and effort along with the ever-consistent sponsor, Mr. Seely. The combined talents of these two as well as the other staff members, helped make the **EAGLE RECORD**, published twice monthly, outstanding in its field. However, the **EAGLE RECORD**'s talents go beyond just printing papers. The yearly publication of the **YUCCA YARNS** enables students to express their artistic thoughts and emotions through prose and poetry. Mr. Seely and his group of enterprising journalists have brought many moments of laughter and news to the students at Carter, and their dedication deserves the praise of the student body.

THE VOICE OF TODAY

The Student Advisory Committee led a very prosperous and fulfilling year. The committee's main goal was to strive for a perfect union among the students at Carter. This was conceived by the work of the committee members themselves. The members are James Bramlett, Spencer Davis, Caroline Flores, Ricky Kistler, Felicia Bell, Carmen Martinez, and Tony Martinez.

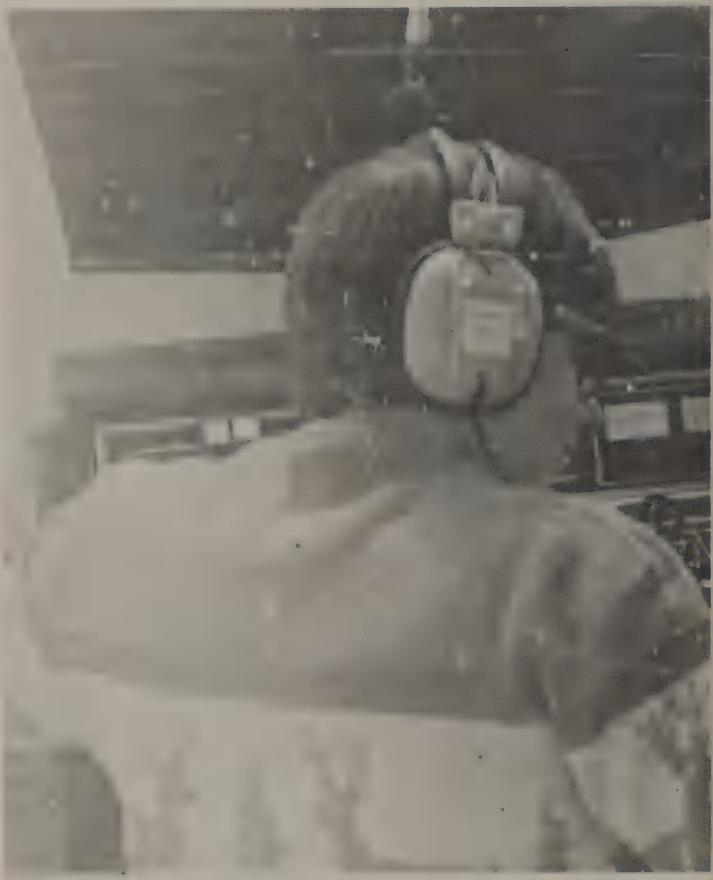

LEADERS OF TOMORROW

This year the Future Teachers of America began with many new and different activities. President Barbara Neace kept the organization fluctuating and busy with various activities. Under the supervision of sponsor Mrs. Joyce McCown, the members were taught responsibility and dedication to their club. Among the various activities involved was the publication of *THE CARTERITE*, the student directory. This is perhaps the single most important feature and project of F.T.A. Throughout the years F.T.A. has built a lifetime of memories which reflect well upon the students and faculty of Carter as well as the members of the club itself.

A TRIBUTE TO THE NINETEEN SEVENTY SIX VARSITY

Our Varsity Eagles went out and revolted against those sportswriters' pre-season predictions for a losing season of maybe one or two wins. These rebels clawed their way to Carter's best district season in a decade, ending up with an identical record with Grapevine who represented our Zone 3A-5 East in district playoff. That the Eagles were considerably smaller and less experienced than their scheduled opponents, the sports scribes once reasoned, should be their inescapable

doom. The 1976 season record demonstrates that so-called losers — a young team in a rebuilding year — can become winners with determination and hard work. And total team effort. And highflying spirit.

If the local sports experts pronounce Carter's 1977 prospects as "promising," and they probably will, then you can be sure that the Eagles will deliver what others promise.

TOP ROW — L to R: Coach Maclin, Bristol Dickey, Joe Dearing, David Bell, Ken Fennell, Kevin Salazar, Ken Kirkham, Roger Gifford, Jeff Dunn, Ray Bennett, Ricky Coats, Ricky McGuffin, Tom Scott, Jimmy Whipple, Sam Jordan, Mike Waugh, Chris Taylor, Mark Ayers, Coach Calder, Coach Kitchens.

BOTTOM ROW: Elliot Robinson, Tracy Bullard, Terry White, Jeff Jones, Mike King, Billy Phillips, Earnest Jackson, Fred Violante, Spencer Davis, Gary Steele, Nun Fretwell, Mike Morrison, Danny Kinard, Grady Gentry, Willie Brown.

VARSITY HOPEFULS

Although the Junior Varsity had a pretty fair season record of 4-5, JV Coach Shaw is correct in saying that they are a better team than their record shows. He continued to praise with "Defensively, the team was exceptionally involved" and "The team as a whole played well."

The effort and experience of the JV should make an important contribution to the Varsity program. Some

JV players do seem certain to be excellent Varsity material that they should be named: Allen Husbenet, Robert Thompson, Billy Walters, Tommy Castellaw, Tim Spraggins, Lonnie Buggs, Paul Skinner, Robert Shaw, Johnny Cisneros, Larry Greenhaw and Eddie Montgomery. Many others with improvement should be quite competitive.

TOP ROW — L to R: Jay Long, Brian Ayers, Tim Spraggins, Larry Greenhaw, Tommy Castellaw, Larry Ritter.

SECOND ROW — L to R: William Younts, John Pawling, Robert Barclay, Jeff Spintz, Edward Adcock, Ricky McLaughlin, Anthony Vernon.

BOTTOM ROW — L to R: Gary Foster, Danny Lemmons, Joe Espinoza, Kelvin Jones, Warner Printers, Freddy Edwards, Clinton Roberts, Steve Neal.

Coaches: Mike Leach and Gene Mahurin

What can you say about a 1-7-1 season? A lot. And good too. Coach Mahurin feels, with just cause, that the defeats have been for the purpose of learning. For this experience the JV will be the smarter. This season has provided Coaches Leach and Mahurin the opportunity to become settled in their new function with Freshman football. It is not good that the team lost its spark plug and main drive, Freddie Edwards, in the second game with a dislocated elbow. It is good, however, that in the first place the Freshmen had such a great

prospect for JV to lose. Carter will hear more, much more, of this Freshman.

What you can say about the weather is that it was bad. Hot one week and cold the next. In addition to Freddy Edwards' continuing in the Carter tradition of super quarterbacks, other prospective JV all-stars were William Bonner, Joe Murray, Richard Locke, Kevin Ashley, and Joe Espinoza. Obviously, Carter felt good about its Freshmen.

"All my pictures seem to fade to black and white." These words from Elton John's hit just as appropriately describe these pictures of the Varsity Basketball team as some other words paraphrased from the same song summarize their season efforts: they didn't let the sun go down on them. What didn't start out as a rebuilding year ended up to be. The opposition in the first half of district play was almost "blinded by the light" of Senior Terry White's leadership especially and also that of Seniors Terry Wilson and Darrel Palmer: the Eagles "closed the door" with 3-1.

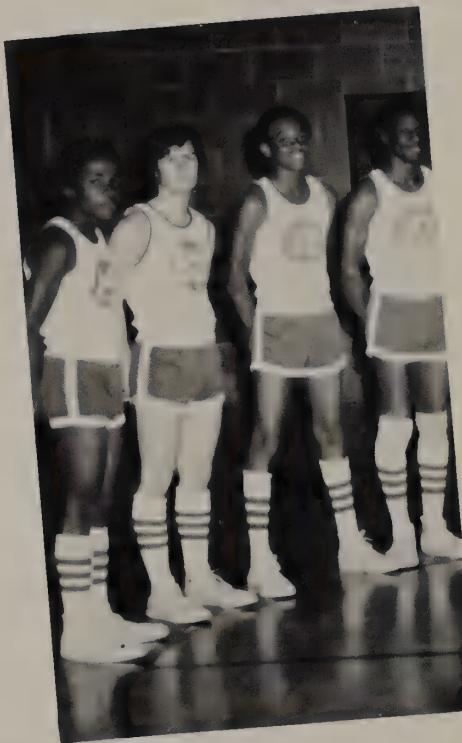

Point production and overall hustle of underclassmen were most credited to Freshman Freddie Edwards; Sophomore Earnest Jackson; Juniors Tracy Bullard, Doug Wilson, Tommy White. Elton says, "See me once and see the way I feel." So we saw Coach Jess Hall once for his feeling. "It takes a lot of pride and self-discipline for Seniors to be on a rebuilding team. Seniors did display these qualities in helping us remain united as a team." Happily CHS will begin the 1977-78 season with five returning lettermen-starters.

WOMEN CAGERS SHOW GOOD FORM

The 1977 Girls' Basketball Team had a very successful season. They participated in a city-wide tournament and came away with a second place trophy, their only loss going to Southwest. Overall hustle and a good team attitude contributed to much of their success.

SLEEK STRIDERS SHOWED SASSY SUCCESS

This year sleek striders did show sassy success in the cross country event. They took first place, which was also a first in the history of the school. Perhaps this is to indicate that C.H.S. women are building more stamina than in past years.

THEY REALLY DID

This year's girls Varsity Volleyball team overcame the pitfalls of last year's disappointing season with a 4-4 record in district play. Commenting about the season, Miss Hays said, "The team as a whole put forth a great effort. Although only one member of the team, Betty Brown, made all zone, the entire team displayed spirit throughout the season."

TOP LEFT: Miss Hays adds spirit.

Joe,

Hi

Love ya,
Susan (JUST KIDDING)

We really had a lot of fun in Coach Calder's English. I will always remember those crazy love notes. I still have most of them. I really do think you are a sweet guy and I like you but really I am not good enough for you. I really flirt around a lot as you very well know. When you get to be a junior or senior you will have so many girls chasing you because you are good-looking. I didn't know you could get so serious, I just can't do that. You really have a fabulous personality and I bet you get along with everybody. I don't know how to say this but I was just kidding around with you, Joe. I ~~do~~ think you got more serious than I did. I really don't deserve you. I bet this summer you find some girl and you know what happens after that! I really do like you but just for a very close friend. After reading this you probably think I am some loudoux, whatever. We can still have some good times next year but I can't get serious that's just not me. Always remember to keep your feet on the ground but keep reaching for the stars. See ya next year O.K.?

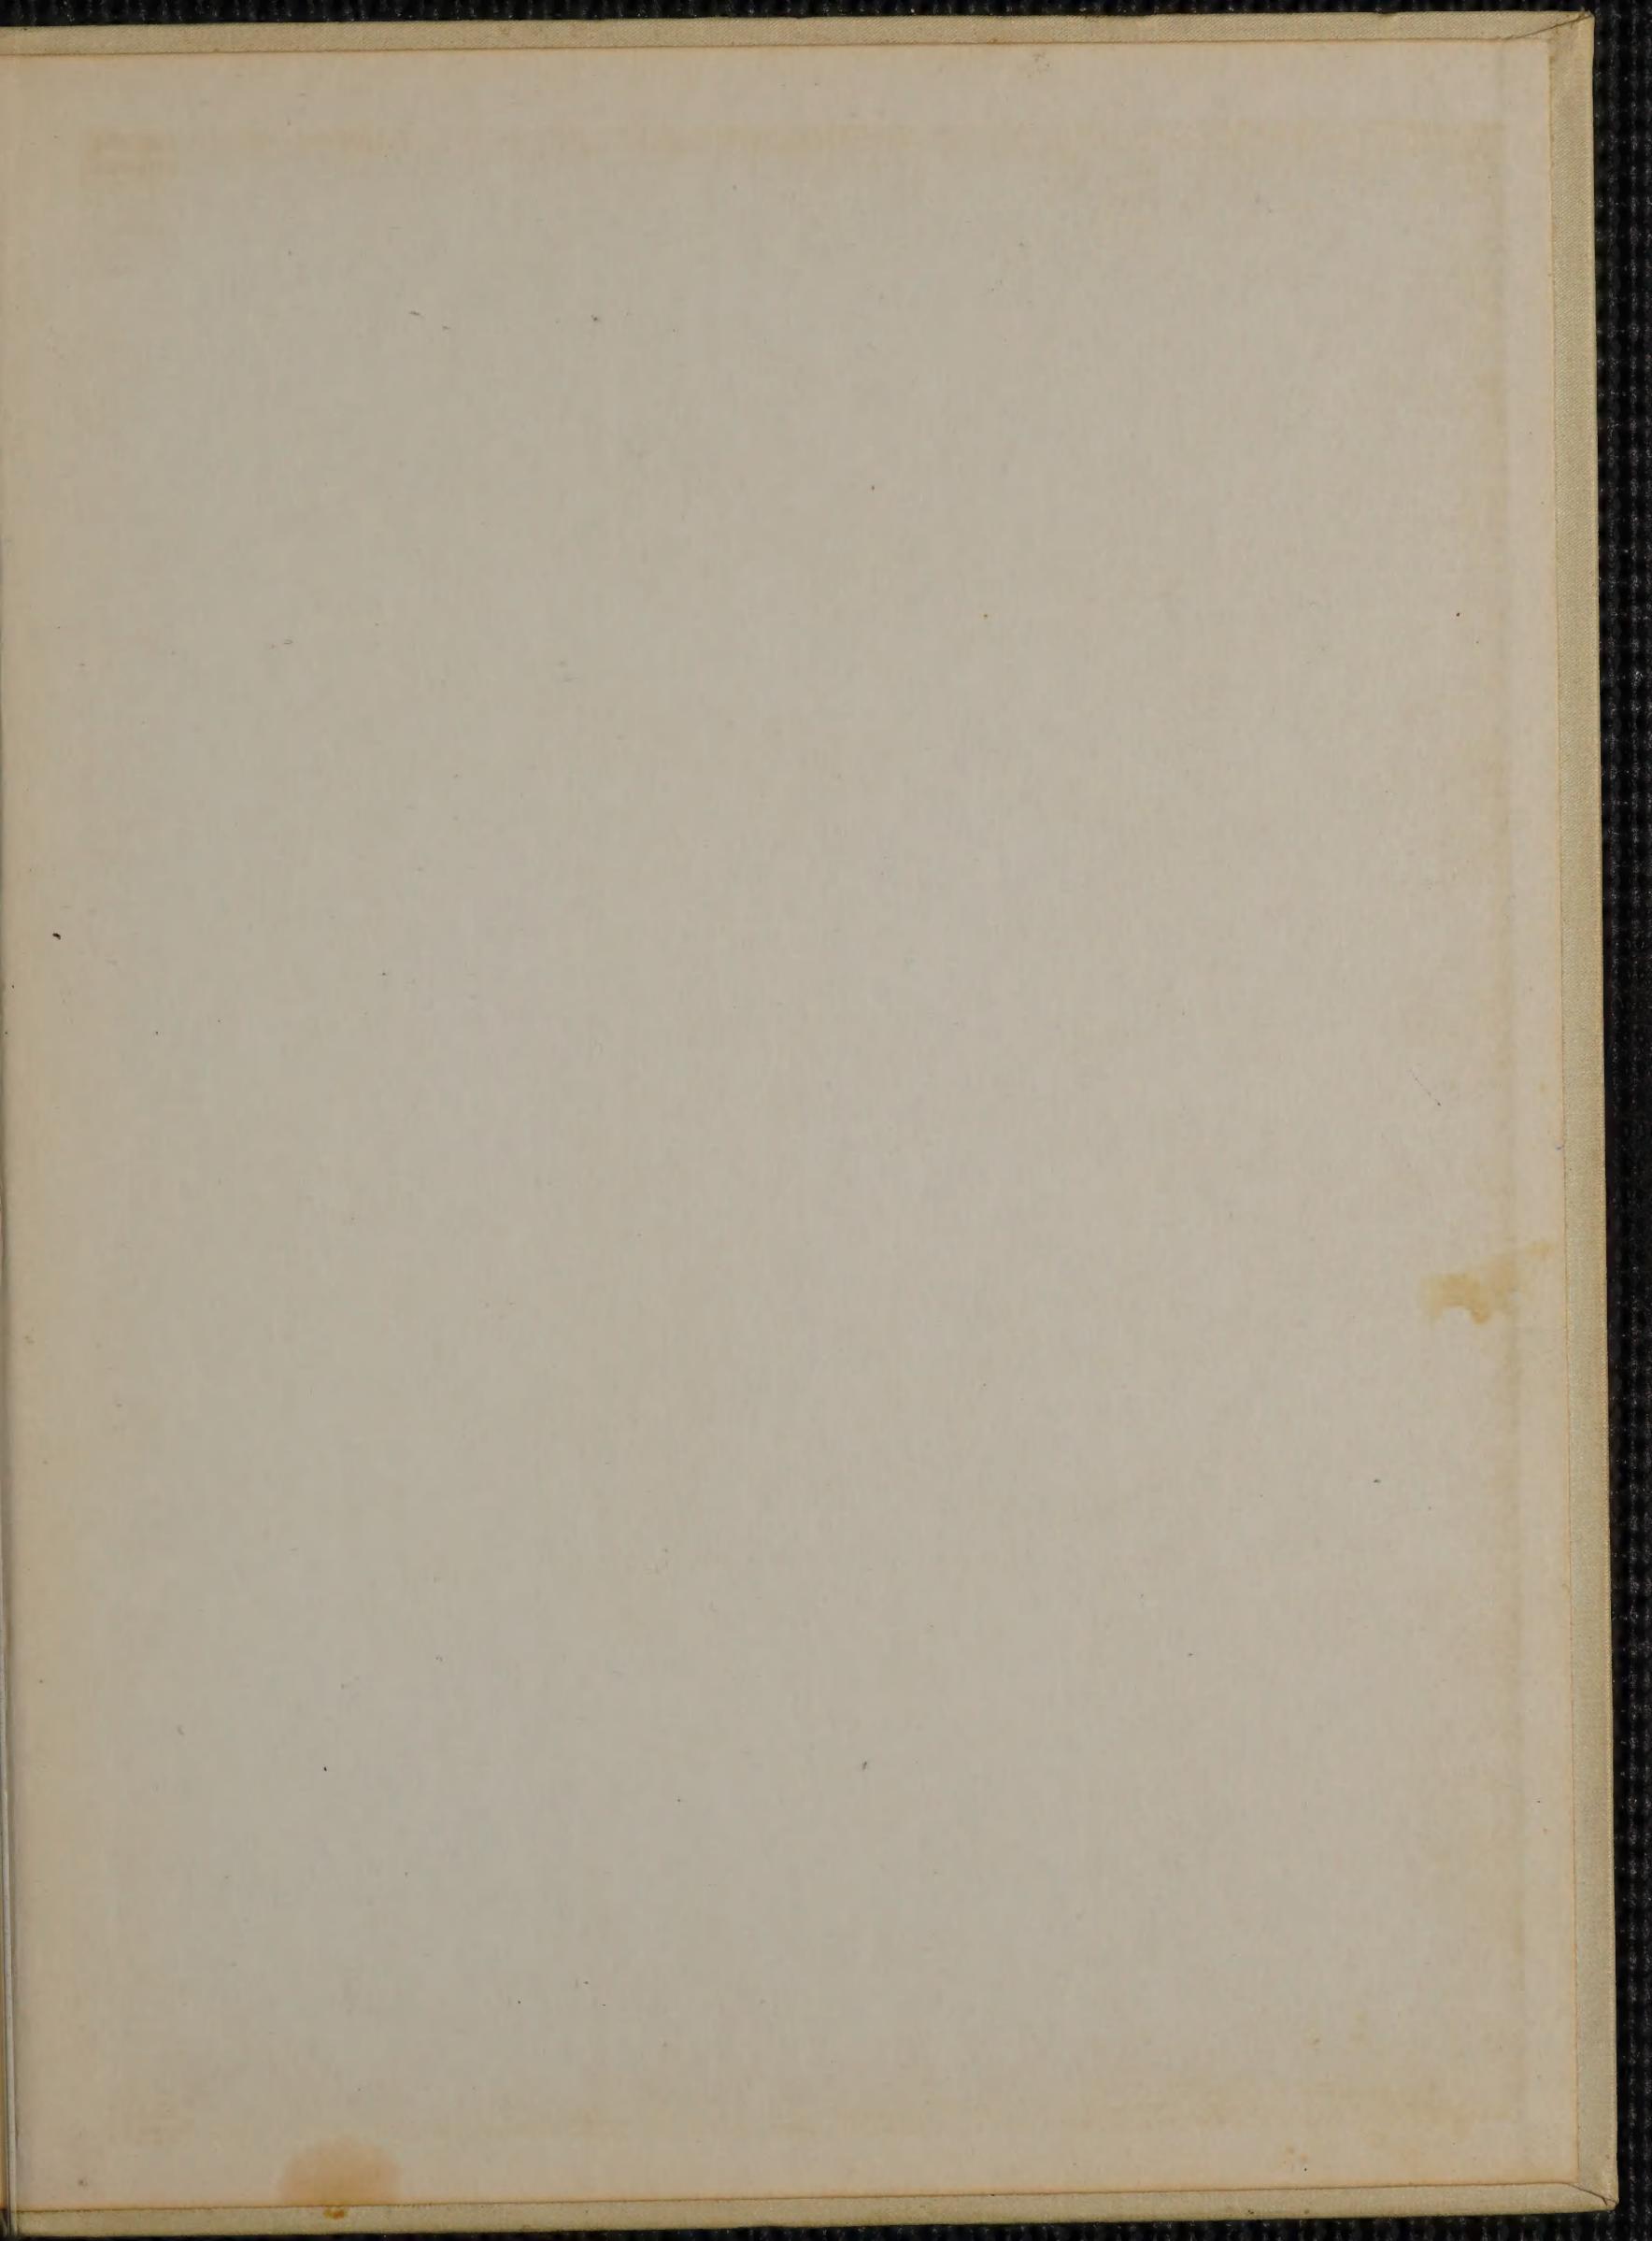

God Bless
Love ya,
Susan Baze
